Quotes to Consider

Education of Children: *"The education of children for God is the most important business done on earth. It is the one business for which the earth exists. To it all politics, all war, all literature, all money making ought to be subordinated; and every parent especially ought to feel, every hour of the day, that next to making his own calling and election sure, this is the end for which he is kept alive by God- this is his task on earth."* -R. Dabney

Be Ye Separate: *"Worldly wisdom recommends the path of compromise, and talks of "moderation." According to this carnal policy, purity is admitted to be very desirable, but we are warned against being too precise; truth is of course to be followed, but error is not to be severely denounced. "Yes," says the world, "be spiritually minded by all means, but do not deny yourself a little enjoyment in society, an occasional ball, and a Christmas visit to a theatre. What's the good of crying down a thing when it is so fashionable, and everybody does it?" Multitudes of professing-believers yield to this cunning advice, to their own eternal ruin. If we would follow the Lord wholly, we must go right away into the wilderness of separation, and leave the Egypt of the carnal world behind us. We must leave its maxims, its pleasures, and its religion too, and go far away to the place where the Lord calls His sanctified ones. ...To all true believers let the trumpet-call be sounded, "Come ye out from among them, be ye separate." -C. Spurgeon*

Fear of God: *"We fear men so much, because we fear God so little. One fear cures another. When man's terror scares you, turn your thoughts to the wrath of God." -W. Gurnall*

In Heaven: *"...though we may see and recognize dear ones in glory, we will also know that our relationships to them are not as before. Now it's a husband/wife, parent/child relationship. There perhaps, it might be compared more like a choir where all have their individual parts and all sing together perfectly the harmony of the Lord." -G. VanBaren*
